

**THE AMERICAN SOCIETY OF HOME INSPECTORS
INSPECTPAC AUTHORIZATION DETAILS**

Federal election law requires association political action committees, such as the InspectPAC, to have written authorization from its members before asking for personal PAC contributions from administrative and executive personnel of your corporation. **Such authorization does not obligate you or any members of your company to contribute to the InspectPAC.** It only means you are willing to receive additional information about the InspectPAC and be solicited. This may include an invitation for you and other individuals from your company to make a personal donation to the PAC. Your signature will allow solicitation only during the calendar years for which you give approval. Corporations may only authorize solicitation from one PAC per year. Please complete and return the Authorization Form today. If you have any questions about ASHI's InspectPAC or would like additional information, please contact Rob Paterkiewicz, the InspectPAC Treasurer at (847) 954-3182, or via email at robp@ashi.org.
